PROFESSIONAL SUMMARY

Marketing professional with hands-on experience across campaign strategy, content and social media management, audience growth, market research, and business development for sports, media, and consumer brands. Skilled in analyzing data to drive measurable growth and translating insights into strategic recommendations for leadership. A builder at heart who independently built a full-stack e-commerce platform from scratch, passionate about sports, media, technology, and consumer behavior.

CORE COMPETENCIES

Campaign Strategy & Execution • Social Media & Content Marketing • Growth Marketing & Audience Acquisition • Market & Competitive Research • Business Development & Partnerships • Data-Driven Decision Making • Cross-Functional Collaboration

PROFESSIONAL EXPERIENCE

Jiostar

Mumbai, India

Sports Marketing

July 2025

- Led development of integrated marketing briefs and campaign strategies supporting Premier League programming across Star Sports.
- Developed a creative concept selected for the Premier League teaser ad, which aired on the Star Sports Network during marquee events reaching a global audience of hundreds of millions.
- Presented strategic marketing recommendations to senior leadership and external league stakeholders, influencing campaign execution.
- Partnered with creative, programming, and marketing teams to develop audience engagement initiatives for one of the world's largest sports properties.

Verix

Mumbai, India

Marketing Assistant

June - August 2024

- Grew the company's social media following from 11,500 to 15,000+ over 60 days through consistent content creation, scheduling, and platform management, a 30% increase in audience size.
- Improved engagement by 70% through data-driven content optimization and audience segmentation.
- Built a competitor intelligence repository analyzing 15 companies across the space, surfacing key differentiators, top-dollar clients, and strategic positioning opportunities.
- Presented strategic recommendations during the company's innovation challenge, earning second place among cross-functional teams.

Universal Music Group

Mumbai, India

Shadowing Assistant

June - August 2023

- Supported a marketing initiative introducing 5 emerging artists to college audiences, driving engagement and brand awareness across campus channels.
- Organized a college music festival showcasing new talent, drawing an audience of 15,000+ and creating visibility for the label's artist roster.
- Sat in on senior leadership meetings with the MD, contributing to internal discussions on artist marketing strategy and label operations.

Qyuki Digital Media

Mumbai, India

Business Analyst

June - July 2022

- Conducted performance analysis across 250 content creators in Qyuki's network, evaluating impact, audience reach, and commercial value to inform strategic decisions.
- Flagged the top and bottom 15% of creators, who accounted for roughly 30% of total network reach, to guide leadership's network optimization strategy.

Collective Artists Network

Mumbai, India

Marketing & Sponsorship

April - May 2022

- Conducted sponsorship research evaluating athlete, celebrity, and brand alignment opportunities.
- Developed partnership recommendations supporting sports sponsorship initiatives.
- Assisted with sponsorship strategy and stakeholder outreach during partnership discussions.

PROJECTS

Dulce Cocina: Full-Stack E-Commerce Site

2026

<https://dulce-cocina.vercel.app/>

- Built and deployed a full-stack e-commerce platform for a home bakery using HTML/CSS/JS (Vercel) and Node.js/Express (Railway), featuring product catalog, cart, email-based order management, UPI payment integration.
